Alta-Wide Builders Supplies

Alta-Wide Builders Supplies has been in business and a ProfitMaster client for eleven years.

“We find ProfitMaster has the ability to grow and be flexible with us. With five stores and a corporate head office, it is imperative that we be in contact with all the stores at anytime from anywhere and ProfitMaster allows us this luxury. As well, the ProfitMaster system supplies us with the tools we need to ensure our data is both reliable and secure. The system is very user friendly so there are very few errors and I have yet to find a true 'glitch'. ProfitMaster is excellent at being able to track all transactions and any error is fixable. Lastly, if we do need help, the Support Staff are very well trained and eager to help!”
