

Integrated CDI Payment

A flexible, reliable and secure integrated payment solution

Manage payments and the secure transmission
of transaction data

Offer ultra-fast service at your point of sale

Ensure a secure experience for you and your customers

Same time and money

And much more!

*There are no line-ups since
our integrated debit/credit system
has been installed its speed saves
everyone a lot of time. We've been
able to eliminate 1 to 2 cash
registers per day.*

- Pépinière Locas

OGC

Together to optimize your performance

Manage payments and the secure transmission of data

- Manage the transmission of essential transaction data directly from your cash register to your financial institution
- Process payments by credit, debit (Interac), chip and PIN cards, and with Desjardins Accord D financing
- Allow payments by gift cards
- Accept main loyalty programs offered by our partners

Offer ultra-fast service at your points of sale

- Serve more customers in less time
- Reduce wait times at your cash registers
- Get a transaction confirmation in a matter of seconds

Ensure a secure experience for you and your customers

- Avoid manual entry errors (incorrect payment method upon invoicing, wrong amount entered into the bank terminal, duplicate entries, etc.)
- Reduce card and data handling; let your customers swipe their card
- View previous transactions with the automatic data integration in your system

Save time and money

- Balance registers and close batches in a few seconds
- Reduce paper handling: all data is automatically saved in the software
- Reduce costs associated with the implementation of new cards thanks to a constantly evolving and adaptable solution

And much more!

- Reduce transaction time
- Evolve along with new technologies
- Be compliant with payment network standards
- Ensure secure data transmission
